NEXT MEETING

NOV-1992

The next meeting of the **Milwaukee Radio Amateurs' Club** will be held on **Friday, November 27, 1992** at the **Wauwatosa Savings and Loan** on **75th and State** at **7:30 PM.** The doors open around 7:00 for the usual preliminary rag chew. The program at this meeting will be: a video tape about a project to install an amateur TV camera and transmitter in a balloon and use them to transmit pictures back to earth.

=====

FROM THE PRESIDENT'S DESK:

I hope you will find time after the Big Bird Day to come to our November meeting. It's on Friday, November 27th, at 7:30 P.M. This was the only November date open at the Wauwatosa Savings and Loan. For those of you enjoying a four day weekend, have fun. Remember, however that we would like to see you at the meeting.

Also Please note:

- 1) The holiday party is also on its way. There will be door prizes, good food, music and a chance to get the YL or XYL out to start the holiday festivities.
- 2) Please take some time to fill out the Repeater Questionnaire. Your response is needed so we can determine what

the majority would like us to do.

- 3) The table at Friendly Fest was not used by very many club members. Should we continue to do this? Your response is needed, so speak up.

- 4) Please remember to get in your dues and Christmas party reservations.

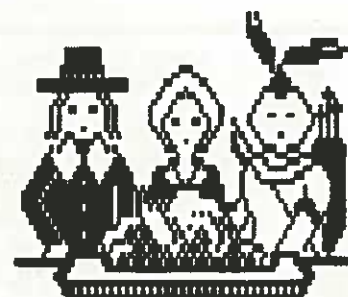

See you at the Friday November meeting and at the Christmas Party.
